CASTLE

PARK AND GARDENS

## RABY Castle

**Raby Castle** is without a doubt one of the most impressive intact castles in England. Built by the powerful Nevilles in the 14th century, it has been the family home of the Vanes for nearly 400 years.

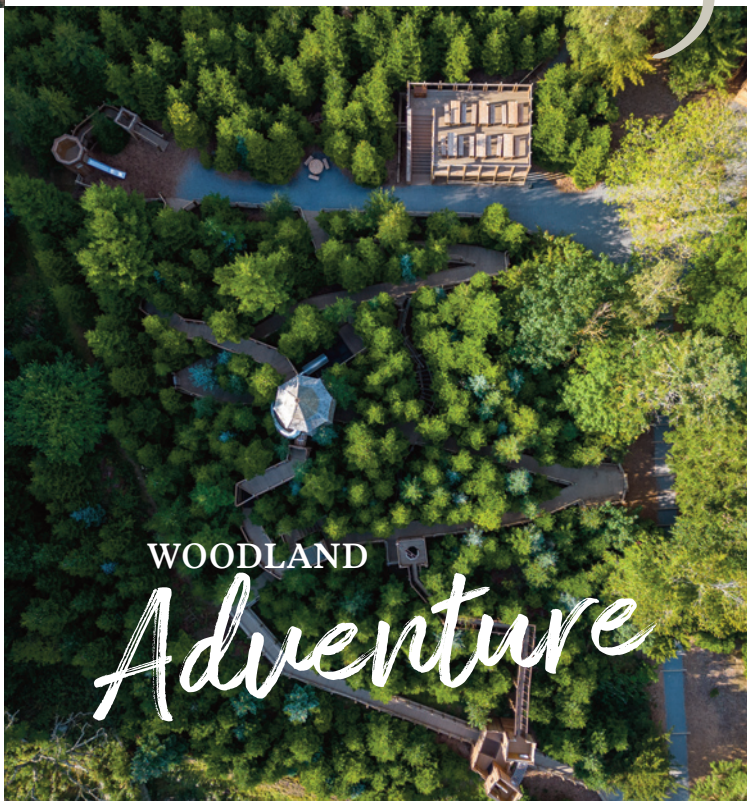

Venture inside the powerful interiors to see superb collections and hear unique stories of the people who lived and worked here.

Explore the picturesque parklands surrounding the magnificent castle and watch the red and fallow deer from afar.

Discover a woodland adventure playground at **The Plotters' Forest**, built within a Christmas tree plantation, where 'close to nature' takes on a whole new meaning.

This is the perfect place for families to reap the benefits of outdoor play and connect in the beautiful surroundings. Work up an appetite then head to The Plotters' Pantry rooftop deck for a delicious lunch or snack.

## Food AS FRESH AS IT GETS

With menus celebrating produce from across the estate, dine in style at **The Vinery**. A stylish and airy recreation of the historic glass house which once stood on the same location. The Vinery is the most elevated of settings for coffee and cake or a long lunch.

Soak up stunning panoramic views of the castle across the High Vinery garden whilst enjoying seasonal and locally sourced flavours from our carefully crafted menus.

The 18th Century **Walled Garden** has been remodelled by renowned designer **Luciano Giubbilei** alongside Lady Barnard. They have created a stunning 5 acre vision, celebrating the Estate's well-known yew hedges and the iconic Raby fig.

In doing so, they have retained the gardens' distinctive spirit. Beautifully framed views of the castle, a unique tiered grass amphitheatre and an unrivalled air of tranquillity have put Raby on the map of notable English gardens; they will delight horticultural novices and enthusiasts alike.
