During your visit:

- Please use the circular route to visit the waterfall. Please ensure that suitable footwear is worn as the terrain is changeable with the weather.

This is an enjoyable yet challenging walk, however the circular route is not accessible.

The path is narrow in places and is not suitable for pushchairs.

- We will be limiting the number of people who can access the footpath to the waterfall at any one time.

Please be prepared to queue with social distancing in mind.

- Please use the hand sanitiser provided, and queue at a safe distance from others when using the toilet and handwashing facilities.

- For the safety of all users please adhere to the guidance of the marshals.

- Do not enter the water at any time.

We hope you enjoy your visit.
